Statement of Intent

01

Project oriented rather than transactional approach to addressing business requirements

02

We view ourselves as an extended arm of JIO and not another “vendor”

03

Our growth and success is very closely interwoven with Jio's success

Value Proposition to Partner

01

Quick Turnaround Time on Identifying Right resources

02

Domains/Technical expertise on Evaluation using Latest Techniques

03

Smooth onboarding process and hand holding

04

Highly skilled & talented team of trained recruiters to ensure quick delivery of best talent.

05

Dedicated team of Key Managers with the recruitment team to support the client hiring need.

06

100% Compliance through internal & client audits

07

Shaping clients hiring plans to improve efficiency and cost-effectiveness
